General.

If they fail to do it, since they have the undoubted power to accomplish it, and will be held responsible for any failure in this direction.

General.

The business in railway and miscellaneous shares, to-day, has been active, chiefly in the features so conspicuously yesterday.

General.

Another unsettling influence has been the reported closing out of Mr. Drew's long stock, said to amount to over 100,000 shares of the chief speculative stocks.

General.

The following is the movement in gold prices for the week: Entered for consumption, \$2,628,421; withdrawn, \$2,672,123.
